

**Achievements this year at Good Shepherd Secondary School Kagera****Water Tanks**

Because of infrequent supply, two new water tanks have been installed at the School. Students no longer have to fetch water

**Full Boarding School**

This year with permission from the Tanzanian Government, The Good Shepherd Secondary School has been made into a full boarding establishment.

Two new Boarding Houses are being built for the students. Below is a picture of the foundations for one of these houses.

Where the students are sleeping at present.

**Students at the School meeting visitors.**

Below the walls of one boarding house now almost completed and will accommodate 40 students when finished.

The student accommodation should be finished at the beginning of March 2016

**Kunri Christian School in Pakistan.** EdAid is collecting money for the next step in building this school in Pakistan.
